

Sign Up for Text Message Announcements from AIMC

Email isn't always the best way to stay informed about what's happening with the AIMC.

If you'd like to receive text messages about our events, please follow the instructions below to sign up for text reminders. Your phone number remains private (AIMC never sees it) and the AIMC phone stays private as well. Moreover, you are in control of joining/leaving the lists.

The text messages are state-specific. Feel free to sign up for as many as you like. Know that if you sign up for more than one state, you may occasionally receive a message twice.

To sign up for an individual state, text the indicated message (below) to the number **81010**.
