

THE BIGGEST GLOBAL COMMUNITY MATH EVENT!

GLOBAL MATH WEEK

October 10-17, 2017

Join **ONE MILLION** students, teachers, math leaders from around the world in an astounding, shared mathematical experience.

register!

www.theglobalmathproject.org/gmw

Will your students be part of the Global Math Project's Global Math Week? We want them to be!
Do you want to learn about Exploding Dots so you can teach it to your students? We want you here!
It's fun and easy to learn and it will blow your mind.

Come to the **free workshop** for teachers wanting to participate in Global Math Week:

James Tanton's EXPLODING DOTS!

GLOBAL MATH WEEK

Saturday, September 30th
